DEAR MR CRUZ,

Following your evidence session to the Transport Select Committee this morning, I am writing to arrange a meeting with you to discuss the impact of the pandemic on British Airways, your staff, and the aviation sector as a whole.

You may be aware that I believe the best way to safeguard the future of the sector is to get planes flying again. I have been campaigning on exactly the issues you raised in your evidence this morning, namely issues with the UK quarantine rules, the need for testing, and the role of Air Passenger Duty. I also believe we need to ensure internationally agreed safety standards for air travel.

I would be grateful if you could let me know by emailing ben.spencer.mp@parliament.uk when you may be available to meet. I look forward to hearing from you.

Yours sincerely,
